

# AMS.SHIP

The Next Generation of Parcel Shipping Systems NOW!

The AMS.SHIP Manifest System is a PC-based, multi-carrier parcel shipping system that will greatly benefit your company's shipping operation and productivity while substantially reducing your overall shipping costs.

## Benefits shipping with AMS.SHIP

### Proven

Since 1998, the AMS.SHIP Manifest System has been providing this flexible, efficient, easy-to-use, and cost-effective shipping automation solution. Your modest investment in the AMS.SHIP Manifest System will pay dividends well into the future.

### Versatile

Whether your shipping process requires input from just a single customer database or calls for the exchange of data between multiple applications, the AMS.SHIP System can be easily integrated into virtually any host system, database, and platform. The AMS.SHIP Manifest System is the only system you will ever need.

### Scalable

Whether your daily shipping process involves a few parcels with a single carrier or several truckloads using all major carriers, the Multi-Station Network option enables the AMS.SHIP Manifest System to process an unlimited number of transactions in a single shipping day. The AMS.SHIP Manifest System was designed to meet your needs today and well into the future.

### Embedded "COMING SOON"

For companies that wish to incorporate carrier-compliant shipping functionality into their own applications, the AMS.SHIP Site Server is a comprehensive, behind-the-scenes, multi-carrier shipping engine. As the demands of your shipping operation grow, the AMS.SHIP Site Server eliminates the burden of maintaining frequent carrier rate and methodology changes and allows you to focus on your core business functions.

### Economical

The AMS.SHIP Manifest System offers several cost-saving features that include small parcel and LTL rate shopping, Proof-of-Delivery reporting, third-party parcel insurance, shipment optimization, hands-free operation, and an overall reduction in paperwork. If there is a way to save shipping costs, the AMS.SHIP Manifest System will streamline it for you.

### Competitive

The AMS.SHIP Manifest System translates into superior solutions at affordable prices.
